5:00pm Briefing 5 - What Is The FAA Safety Team (Steven Hoogerhyde) 5:00pm - 5:15pm

Closing Comments

* WINGS Award Credit will be provided for each pilot briefing. Please refer to

www.FAASafety.gov to find each briefing listed as a "web only" posting, there you will be able to

register online for each of the separate FIVE BRIEFINGS to receive the associated WINGS credit. You may also sign the attendance roster at the event to receive the proper WINGS credit.

Directions: This annual event is split between pilot and mechanics. You are welcome to join for any or all of the sessions that will run throughout the day. The pilot briefing seminars will be upstairs at the Brookings Airport and the mechanics training (inspector authorization course) will be in the hangar at the Brookings Airport.

A message from the National FAASafety Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
