

ForeFlight Tips and Tricks

This will be an idea sharing session, as well as well as an introductory presentation for the less experienced users. Mainly VFR use of the Electronic Flight Bag (EFB), however some IFR use will also be discussed.

Directions: Main EAA hangar area after the pancake breakfast.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
