

FAASteam Morning Safety Seminar

Have you ever wondered how a surprise FAA Ramp Surveillance Inspection would go? This is the time for you to attend this seminar and find answers to some questions you may have. FAA Inspector Dwight R. Pladsen "Yoda" will enlighten your understanding on this topic from a Jedi's perspective. Come join us as we venture through some of the regulatory requirements needed to avoid findings by the FAA. May the force be with you.

Directions: This safety seminar is part of the South Dakota Aviation Hall of Fame event.
