

South Dakota FAASTeam presents:

# South Dakota West River General Aviation Refresher

Come join five great guest speakers presenting topics every pilot must learn more about. Safety begins with everyone, it's a culture we all need to promote and remain proficient with.

What better opportunity to become more knowledgeable with current technology and regulations. Each speaker has many years of experience and provided our communities an excellent service to help promote aviation safety. Don't miss out, see you there.

This "all-day" refresher will cover the following topics: 0900 - 0945 Introduction 0945 - 1030 Use Of The Electronic Flight Bag, by Marty Larson 1030 - 1115 What About The Basic Medical For Pilots, by Dr. Lee Trotter 1115 - 1200 ADS-B Regulations & Options, by John Glasford 1200 - 1330 \*On-Site Burger Burn, provided by the SDPA 1330 - 1415 Pilot Maintenance Responsibilities, by John Barney 1415 - 1500 Mountain Flying In The Black Hills, by Jerry Densmore 1500 - 1545 Open Forum Discussions

\* Lunch is offered with a free-will donation

This Refresher Program is intended to provide updated information on relevant topics and will consist of a relaxed atmosphere that will encourage interaction between speakers and attendees.

Select #: GL2791792

FPM STEVEN ROBERT HOOGERHYDE

Your attendance at this "all-day" event may be used to meet the ground knowledge requirement for a flight review in accordance with the Code of Federal Regulations (CFR) Part 61.56.

In addition, attending this "all-day" event will earn you all three levels in the WINGS Pilot Proficiency Award Program.

**AVIATION SAFETY, BE PART OF THE SOLUTION**

**Directions:** This event will take place at the Rapid City Regional Airport Fire Station #8 Conference Room. Once you turn off Highway 44 toward the airport, keep driving straight ahead and continue past the traffic light up the hill toward the general aviation hangars. The Fire Station #8 will be to your right and parking is available in front of the building at no expense. If flying into the airport, aircraft tie-downs and fuel services are available.

**A message from the National FAASafety Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
