

Airport Users,

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at RAP Airport involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. In conjunction with airport management, we will be conducting a local RSAT meeting on April 28, 2023. The meeting is scheduled at 1PM and will be held at the Fire Station Conference Room. To attend via Zoom, use the following link:

To join the meeting, go

to: <https://us02web.zoom.us/j/83088909228?pwd=Z2xaWUlyVmt3K25uK2Z6bUFiODJSQT09> Click the JOIN button; enter Meeting ID: 830 8890 9228 Passcode: 189794. If prompted, accept the Zoom application as instructed.

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles, and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us.

Your participation is important, and your input is welcomed. Please RSVP Brent Jansen at brent.jansen@midwestatcs.com or (605) 393-1161. Include the name, organization, phone number and email address of those who will be attending.

If you have questions or need more information, please let me know. I can be reached at the contact information provided above.

Sincerely,

Brent D Jansen
Air Traffic Manager
Rapid City Regional Airport ATCT
