

Northwest Mountain FAAS^Team presents:

Select #: NM0123428
FPM Minard Thompson

FAAS^Team CFI Workshop (Module # 2)

Saturday, March 7, 2009 at 8:30 am

Galvin Flying
7001 Perimeter Road
Galvin Flying Services Flight School
Seattle, WA
Contact: Bruce Williams
206-763-9706
bruce@bruceair.com

Experienced Flight Instructors will discuss the Technically Advanced Aircraft and navigation issues encountered while using the GPS and WAAS navigation systems. The Runway Safety Team will lead a discussion involving "best practices" that all pilots should utilize while operating on the airport surface.

Directions: The Galvin Flight School is on the east side of Boeing Field, just north of the airport main entrance. Note that the Flight School is also in a separate building north of the Galvin Executive Terminal.

Message from the National FAAS^Team Manager:
Start FAAS^Team CFI Workshops any time! Find Workshop #2 in SPANS.
