

NW Mountain FAA Safety Team presents:

Select #: NM0126701
FPM Minard Thompson n/a

Aircraft Accident Investigations and Risk Management

Saturday, August 22, 2009 at 10:00 am

Harvey Field/Snohomish Flying Services
9900 Airport Way
Snohomish, WA

Contact: Snohomish Flying Services
360-568-1541
snofly@harveyfield.com

Aircraft accidents can be reduced by managing risks. Airlines manage aviation risks everyday in their flight operations and so do many General Aviation pilots. However, some pilots don't manage risk well or disregard the risks and the results are usually tragic.

Directions: From Hwy 9 take Marsh Road East to Airport Way and turn left to Snohomish Flying Services at 9900 Airport Way. Seminar will be held in the hangar just west of the restaurant..

Message from the National FAASafety Team Manager:
Start FAASafety Team CFI Workshops any time! Find Workshop #4 in SPANS.
