

# Summer Weather Patterns and Flying the Cascades

Allen Kam from the National Weather Service will present a detailed look at the main weather patterns that can cause problems for the a pilot when flying the Cascades during the Summer flying season and what weather information is available to the pilot.

**Directions:** From I-5, take the 128th St (exit #186), go west on 128th St for approx 2 miles to Hwy 99, 128th St SW becomes Airport Rd, stay on Airport Rd to the Paine Field entrance, turn Left onto 100th St SW and go to the first stop sign, turn left and the street dead ends into our parking lot. Hangar C-51.

## A message from the National FAASTeam Manager

The new WINGS–Pilot Proficiency Program is great! Check it out now!

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
