

Flying Near the Canadian Border? What Customs & Border Protection Want Pilots to Know

Homeland Security pilots protect our northern borders and they want you to know how to fly within the regulations and enjoy your flight. Come learn from the experts on how to avoid the "unexpected wingman syndrome" from ruining your scenic flight near the Canadian border.

Directions: From the ferry dock go straight ahead to Front Street. Turn right on S. Front Street. Turn left on Spring Street. Turn left on Franklin Drive. Turn left on Airport Circle. The meeting will be held in the Westwind Aviation hangar.

A message from the National FAASTeam Manager

The new WINGS—Pilot Proficiency Program is great! Check it out now!
