

# Border Crossing Regulations and What Happens in Non-Compliance

Homeland Security pilots patrol our northern border for illegal activity that could affect our country's security. Regulations have been developed to assist the Homeland Security pilots in intercepting only suspect aircraft, or those that have not announced their intentions to cross or fly near the border. Come find out how you can be part of the solution and keep your flying freedoms intact.

**Directions:** The Whatcom Educational Credit Union is located in downtown Bellingham next to FedEx/Kinkos.
