

OPERATION RAINCHECK - A Pilot Protection and Utilization Forum

A special opportunity for pilots to interact with Air Traffic and discover the many services they have to offer. All it takes is one little radio call and you can hear those magic words, "radar contact!" ATC can offer direct flights; clearances throughout the Class B, C, D, & E Airspace; traffic separation; practice instrument approaches; radar vectors to final and much more!

Directions: From I-5 north or south, take highway 518 west towards Burien. Take the Des Moines Memorial Drive exit. Turn left at Des Moines Way S (Des Moines Memorial Drive). Take the second left to stay on Des Moines Way S (Des Moines Memorial Drive). Arrive at 825 S 160th Street.

A message from the National FAASafety Team Manager

Over 136,600 pilots earned WINGS credits last year. Are you one of them?

Sign up for the FAA's safety services at www.FAASafety.gov!
