

FAASTeam presents:

# Aircraft Records, Pilot Assisted Annuals & In-flight Troubleshooting

The seminar goal is to assist students, pilots, and aircraft owners in developing an understanding of the contents of an aircraft's records and how the records might be efficiently organized. We will also discuss how the pilot can perform effective in-flight troubleshooting to aid in the repair of discrepancies (speak A&P).

**Directions:** From I-5, take the 128th St (exit #186). Go west on 128th St for approx 2 miles to Hwy 99, 128th St SW becomes Airport Rd, stay on Airport Rd to the Paine Field entrance. Turn Left onto 100th St SW and go to the first stop sign, turn left and the street dead ends into the Regal Air parking lot.
