

Operation Rain Check - A Pilot Protection and Utilization Forum

A special opportunity for pilots to interact with Air Traffic and discover the many services they have to offer. All it takes is one little radio call and you can hear those magic words, "radar contact!" ATC can offer direct flights; clearances throughout the Class B, C, D, & E Airspace; traffic separation; practice instrument approaches; radar vectors to final and much more! A tour of the facility will follow.

Directions: From either I-5 or Hwy 167, Take Hwy 18 East. Take Hwy 164 East exit toward Enumclaw, turn left onto Auburn Way S. Past the Muckleshoot Casino, destination is on your right.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants.
