

GPS from an Avionics Technician's Perspective

Are you in absolute awe every time you see a brochure or set foot in a new aircraft with a GPS or some "New Touch Screen" avionics? Well, here is your chance to have a look behind the instrument panel with an avionics technician guiding the way.

Directions: From I-5, take the 128th St (exit #186), go west on 128th St for approx 2 miles to Hwy 99. 128th St SW becomes Airport Rd, stay on Airport Rd to the Paine Field entrance. Turn left onto 100th St SW and go to the first stop sign. Turn left and the street dead ends into our parking lot.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
