

Aviation Maintenance Seminar and IA Renewal Training

Aviation Mechanics and other interested people will get the latest in aviation technologies, regulations, accident reviews and best practices for AMTs and pilots. IAs may use the lecture time by attending all 8 hours for IA renewal training [CFR 65.93(a)(4)]. Pilots and students wishing to add to their maintenance knowledge are encouraged to attend this all-day maintenance education event.

Online registration is mandatory for this free seminar. If online registration is full, please contact Johnny Rush for standby seating options.

Directions: From Puyallup's South Hill go south on Meridian. Turn left on 176th St. E. and then turn left on 110th Ave E.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
