

Certificated Flight Instructor Glider Revalidation Clinic

The Soaring Safety Foundation is conducting a CFIG Revalidation Clinic in Seattle the weekend of February 15th and 16th, 2014. It is open to everyone - not just instructors. This is your best opportunity to prepare for your next written test (private, commercial or instructor in gliders), prepare for your next oral exam or just brush up on safety.

Directions: From I-5 North or South, Take exit 154B to merge onto WA-518 W toward Burien/Sea-Tac/Airport, Take the exit toward Sea-Tac Airport, Keep right at the fork, follow signs for WA-99 S and merge onto WA-99 N/International Blvd, Turn right and go 0.1 mile, then turn left. Destination will be on the right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
