

VFR Flight Following - Question & Answers from ATC

Ever wonder what services are available to you the VFR pilot in your Cessna 150? What do I say? What can I ask for? What are my requirements? Do you know that most pilots don't like to talk to ATC? Did you know that ATC can be your greatest asset when things go wrong in flight? Come and learn from the folks who watch over the airspace we fly in.

Directions: Room E. North Foyer.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
