

Single-Pilot Resource Management

We will break down the general concept of Single-Pilot Resource Management into individual components including Situational Awareness, Task Management, Automation Management, Risk Management, Aeronautical Decision Making and CFIT Awareness.

Directions: South View Lounge

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
