

Pilot/Controller Forum

The intent of this meeting is to reach out to the local aviation community about safe practices, with an emphasis on raising awareness about TCAS and how the airport users can work together to reduce TCAS events at and around BFI. All the local pilots, especially those in the General Aviation community are highly encourage to attend this forum.

Directions: The meeting will be held at the King County Airport Terminal Main Building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
