

## Puget Sound Convergence Zone

The Puget Sound Convergence Zone is a relatively common terrain caused by weather phenomenon that can result in localized poor weather over the western Washington interior. It generally affects the Puget Sound region but can also bring poor weather to the north interior of western Washington. This seminar is all about the Puget Sound Convergence Zone, how and why it forms and evolves. A Question and Answer session will follow the presentation.

**Directions:** The Whatcom Educational Credit Union is located downtown Bellingham next to FedEx/Kinkos.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
