

## Hypoxia - Flying High, Do or Die!

This FAA Safety Program is a free seminar featuring a multi-media presentation about hypoxia. This seminar will help you to identify the signs, symptoms, and types of hypoxia. Learn what hypoxia is, how it can affect you, your flight, and what measures can be taken to prevent or treat its occurrence. This seminar also qualifies as credit for the WINGS Program.

**Directions:** The Whatcom Educational Credit Union is located downtown Bellingham next to FedEx/Kinkos.

### A message from the National FAASafety Team Manager
