

Flying to Alaska, the Yukon and Northwest Territories.

Mr. Andrew Stagg is a commercial pilot and aircraft owner based in the Seattle area, but has flown through most of the United States and Canada, both as a ferry pilot and traveling from coast to coast in his Mooney M20. Mr. Stagg will present on flight planning, routes, procedures, challenges and things to do in Alaska, the Yukon and Northwest Territories. The presentation will include video and photography from a recent flight from Arlington, WA to as far as Unalakleet, AK.

Directions: The Presentation will take place in the conference room at the basement of Modern Pilot. Access to the basement is on the left hand side of the building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
