

## Meet an Airman Medical Examiner (AME) Seminar

Topics to be covered in relation to aviation are sleep apnea, how to make the medical as painless as possible, the AME as the pilot's ally, special issuances, and other healthier problems which require reporting without time limited certificates. There will be plenty of time for Q&A and can even get into some discussion about mental health issues and flying.

**Directions:** Located at the Renton Municipal Airport. This seminar will be held in the Rainier Flight Service classroom.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
