

Lost Communications While IFR

This presentation will break down the steps to safely complete your IFR flight in the event of a communications failure. There will be a presentation followed by open discussion moderated by a professional flight instructor.

Directions: Located at the Renton Municipal Airport. This seminar will be held in the Rainier Flight Service classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
