

Navigating Airspace Around the Puget Sound

During this seminar, we will take a virtual flight around the Puget Sound in the Seattle area and discuss the reasoning for the various types of airspace and the pilot's responsibilities and equipment requirements when operating within them.

Directions: From SR 512 take the Canyon Rd Exit and go south (this is faster than Meridian)

Turn left on 160th Street

Turn right on Meridian

Airport is approximately 1/2-mile up on your left at the next traffic light.

Safety in Motion is located in the Spencer Building located just south of the Hangar Inn restaurant.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
