

FAASTeam presents:

Own the Drone

Flying a drone in the Seattle area — Are you one of those hundreds of people who is getting in to the world of drone flying but aren't quite sure what the rules are? Next month, Modern Pilot will present a lecture on the rules regarding the flight of drones in the local area. This seminar is designed for anyone who wants to get more information about the rules regarding drone use in the Seattle area from both the pilot and drone operator perspective.

Directions: Please enter through the main gate. The event will be held in the downstairs simulator center.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
