

Navigating Airspace Around the Puget Sound

During this seminar, we will take a virtual flight around the Puget Sound in the Seattle area and discuss the reasoning for the various types of airspace and the pilot's responsibilities and equipment requirements when operating within them.

Directions: The meeting will be held at the Tower Lane.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
