

FAASTeam presents:

## VFR Workshop

This Presentation will focus on some of the risks of flying today and how to properly mitigate them in order to have the safest possible flight. There will be a presentation followed by an open discussion moderated by a professional flight instructor.

**Directions:** Located at the Renton Municipal Airport. This seminar will be held in the Rainier Flight Service classroom.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
