

First Aid and CPR for the Pilot

This class will discuss the supplies needed in your first aid kit, how to treat medical emergencies specific to the aviation environment, and how to put together an effective survival kit for your airplane.

Directions to Venue: Located at the Renton Municipal Airport. This seminar will be held in the Rainier Flight Service classroom. Aircraft tie-down spots available for reservation by calling 425-610-6293.

Directions: Located at the Renton Municipal Airport. This seminar will be held in the Rainier Flight Service classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
