

# IA AMT Maintenance A and P A/C Owners and Operators Maintenance Q and A Seminar

Seattle FSDO Airworthiness Inspectors and the FAASTeam are hosting a series of workshops to listen to any maintenance and preventive maintenance issues that affect the aircraft mechanic, Inspection Authorization (IA), 145 Repair Stations, Aircraft Owners and Operators. The session's aim is to provide education and dissemination of information.

**Directions:** Seminar will be held in the conference room upstairs.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
