

Complex Aircraft Systems Ground School

Have you gotten comfortable with your current airplane and ready for a challenge? Attend our free systems seminar covering retractable gear, constant-speed prop and procedures for complex airplanes. Multiple systems are covered to satisfy the ground knowledge for a complex endorsement as well as our Piper Arrow.

Directions: Located at the Renton Municipal Airport. This seminar will be held in the Rainier Flight Service classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
