

2018 Arlington Fly-In

The 2018 Arlington Fly-In, a 49 Year Northwest aviation tradition of summertime fun and aviation camaraderie. The "county fair with wings" brings back grass-roots flying, airshow performers and lots to see and do at this must-see aviation event. Numerous forums will be presented throughout the mornings to further your knowledge of aviation. The FAA Safety Team will be there to answer your questions and they will provide seminars each day on 7/6, and 7/7. The FAASTeam seminars are free but there is an entry fee for the Arlington Fly-In event.

Directions: FAASTeam Safety Seminars are held in the FAA Forum Tent "TBD". If flying into AWO please check NOTAMS and see the Arlington Fly-In "FLYING IN" web page link in "Additional Event Information" below.
