

## Backcountry Flying

The backcountry offers amazing scenery and flying adventures. Potential risk of Controlled Flight Into Terrain (CFIT) highlights the importance of proper planning, good decision making and being able to safely operate the aircraft. Come join us on an amazing adventure flying challenging backcountry strips!

**Directions:** From I-5, take the 128th St (exit #186), go west on 128th St for approx. 2 miles to Hwy 99, 128th St SW becomes Airport Rd, stay on Airport Rd to 100th St SW. Turn Left onto 100th St SW and turn Left at stop sign and continue on to parking lot just outside the Central Ramp and Hangar C51. Ring bell to open gate.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
