

IFR Workshop And RFS Safety Seminar

Even if you are not up in the flight levels you can still be assigned a SID or STAR for a medium-sized airport. A professional flight instructor will walk through several real-world scenarios including how to load in navigation equipment, climb/descend via and filing.

Directions: Located at the Renton Municipal Airport. This seminar will be held in the Rainier Flight Service classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
