

VFR Workshop And RFS Safety Seminar

With today's fancy gadgets it has never been easier to perform calculations for flight. But do you understand the underlying principles? A professional flight instructor will moderate this open forum using several real-world examples to demonstrate the usefulness of the flight computer.

Directions: Located at the Renton Municipal Airport. This seminar will be held in the Rainier Flight Service classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
