

VFR Workshop And RFS Safety Seminar

Congratulations on passing your Private checkride! The world is at your wheelpan so what's next? This open forum discussion moderated by a professional flight instructor will cover transition training and expectations to different aircraft types, tailwheel, high performance, complex and seaplane.

Directions: Located at the Renton Municipal Airport. This seminar will be held in the Rainier Flight Service classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
