

Engine Failure - When You Only Have One

Once the engine quits, it's too late to prepare. We'll take a systematic look at being prepared for an engine failure in a single engine airplane. After reviewing preflight planning, we'll discuss how to prepare for when your engine fails and you do not have another one handy.

Directions: Western Washington Fairgrounds are located in Puyallup, just off Hwy 512, at the corner of S. Meridian and 9th Avenue SW. Enter fairgrounds through the Blue Gate. FREE Parking in BLUE Lot. If flying in to PLU see additional information below for shuttle details.
