

Avoiding Loss of Control

Loss of control remains a leading cause of aircraft accidents, and for decades the FAA and NTSB have advocated more training to address the problem. But specific recommendations are often hard to come by. I'll review the issue and suggest elements of a LOC-avoidance syllabus that instructors and pilots can practice regardless of the types of airplanes they fly. Mastering Single Pilot IFR

Directions: Western Washington Fairgrounds are located in Puyallup, just off Hwy 512, at the corner of S. Meridian and 9th Avenue SW. Enter fairgrounds through the Blue Gate. FREE Parking in BLUE Lot. If flying in to PLU see additional information below for shuttle details.
