

Surviving the Unexpected- Human Factors of a Mid-air Collision

Amy Hoover shares her personal story of how attitude and training helped her to land successfully and facilitate her own rescue after her airplane was disabled in a mid-air collision over a remote mountainous area. She also relates what could occur in the aftermath of such an incident, and some strategies to help survivors recover after such a traumatic event.

Directions: Aircraft Parking: Eight aircraft parking spots are available in front of Heritage Flight Museum off Taxiway Bravo. Additional parking is available in the transient parking area north of Runway 11-29.

Car Parking: In front of Heritage Flight Museum
