

North Sound WPA Meeting- You are the Pilot in Command

This is a closed event for Washington Pilot Association members only.

In the Aviation world, it is a very common approach- the axiom "Aviate, Navigate, Communicate" teaches pilots to fly the airplane first, then navigate, and once the situation is under control, communicate. Our speaker for this meeting, Shinji Maeda, would like to emphasize "Aviate, Aviate, Aviate!"

Specifically, to always fly the aircraft first. This talk will help you better understand why "aviate" is your highest priority while you fly around the world.

Meeting will be held in the ARFF Station, at the west end of Bakerview Rd, to the south of the road at the curve.
