

North Sound WPA Meeting- VFR Airport Operations

This is a closed event for Washington Pilot Association members only.

In this seminar we will cover the basics of VFR operations in the airport environment, including:

- Airspace review
- Weather services
- Traffic Patterns
- Radio Calls
- Non-towered and towered airport procedures

Meeting will be held in the ARFF Station, at the west end of Bakerview Rd, to the south of the road at the curve.

A message from the National FAASTeam Manager
