

## Colored Charts and a Little Green Book - 2025 NW Aviation Conference

We've gained a great deal from the use of Electronic Flight Bags (EFB) in terms of convenience and portability. Come review what many users have either forgotten, and some never knew: the foundational elements of aeronautical charts and the contents of the best kept secret of all, the Chart Supplement booklets.

The Washington State Fairgrounds are located in Puyallup, WA, just north of Highway 12, at Meridian & 9th Ave. Enter the fairgrounds at the Blue Gate. There is free parking in the Blue Lot, across from the Blue Gate at Meridian and 10th Ave.

### A message from the National FAASTeam Manager
