

Doing Weather Better - 2025 NW Aviation Conference

An enlightening session on one of the FAA's most overlooked yet essential resources: Aviation Weather Handbook. This comprehensive guide explains weather theory, aviation weather hazards, and the full range of U.S. aviation weather products and services. Whether you're a student pilot or seasoned aviator, you'll gain practical insights to become more weather-wise - - because we always fly in some kind of weather.

The Washington State Fairgrounds are located in Puyallup, WA, just north of Highway 12, at Meridian & 9th Ave. Enter the fairgrounds at the Blue Gate. There is free parking in the Blue Lot, across from the Blue Gate at Meridian and 10th Ave.
