

Elevating Your Airmanship - 2025 NW Aviation Conference

No pilot should ever feel stale or bored doing the same routine kind of flying without new challenges or variety. Although originally designed for newer pilots, this presentation has been modified to describe several intentional fun exercises that any experienced pilot can practice - either with a CFI, a buddy, or on your own. There are unlimited possibilities for us all to find the motivation to develop new skills and become more disciplined, proficient, and professional as aviators. This session offers many suggestions that could put that magic "spice" back into your flying.

The Washington State Fairgrounds are located in Puyallup, WA, just north of Highway 12, at Meridian & 9th Ave. Enter the fairgrounds at the Blue Gate. There is free parking in the Blue Lot, across from the Blue Gate at Meridian and 10th Ave.
