

# MOSAIC Light Sport Update - 2025 NW Aviation Conference

The FAA's Modernization of Special Airworthiness Certification (MOSAIC) represents a significant evolution of the Light-Sport aircraft framework, expanding opportunities for innovation while maintaining a strong focus on safety. This presentation provides an overview of the proposed MOSAIC changes, including updates to aircraft eligibility, pilot privileges, and certification pathways. Attendees will gain insight into the intent of the rulemaking, its anticipated impact on the aviation community, and what stakeholders can expect as the FAA moves toward implementation.

The Washington State Fairgrounds are located in Puyallup, WA, just north of Highway 12, at Meridian & 9th Ave. Enter the fairgrounds at the Blue Gate. There is free parking in the Blue Lot, across from the Blue Gate at Meridian and 10th Ave.

## A message from the National FAA Team Manager
