

# Staying Alive - 2025 NW Aviation Conference

Philip will review some real-world incidents and accidents -- cases that were likely preventable by the pilots themselves. From takeoffs to enroute cruise, landings, and go-arounds, these case studies will challenge your thinking and sharpen your decision-making. Enjoy an engaging discussion of video clips and accident reports so you can make your own flying even safer.

The Washington State Fairgrounds are located in Puyallup, WA, just north of Highway 12, at Meridian & 9th Ave. Enter the fairgrounds at the Blue Gate. There is free parking in the Blue Lot, across from the Blue Gate at Meridian and 10th Ave.

## A message from the National FAA Team Manager
