

Maintaining the Skies - Aircraft Maintenance Safety Seminar

We will have multiple presenters from the FAA and industry discussing topics, such as: regulatory requirements, compliance program, aircraft accidents and incidences, major alterations and repairs, and proper maintenance and inspection practices.

This event meets the IA renewal requirements of 14 CFR 65.93(a)(4) and features 8 hours of IA refresher training on subject matter relating to aviation maintenance, inspection, repair or alteration of products, systems, components and accessories, and aircraft accidents.

This training is eligible for (8 hrs) credit in the Aviation Maintenance Technicians (AMT) Awards Program. Visit <http://www.faasafety.gov/> follow the links to the "Maintenance Hangar" for details on enrolling in the AMT Awards Program. **You must be enrolled prior to receiving credit.**
