

iPad Transition Training - Garmin Pilot

Join the course that started it all! Independence Aviation's iPad Transition Course is an in-depth class that covers using the iPad as an Electronic Flight Bag and inflight navigation resource. This class covers the Garmin Pilot app. The iPad 101 class is a prerequisite. An iPad is required for this course.

Register

Directions: From US 36 and US 287 (Wadsworth) go south to Interlocken Loop. Turn west to Airport Way and proceed south. Go past the stop sign and watch for the Independence Aviation building on the right.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
