

Aviation Weather Fundamentals

Weather is among the most important elements in the go/no go decision for flying. You can't have too much weather education. This seminar is a review of weather fundamentals in an interactive format, including a flight scenario and accident review. All 3 parts of this seminar must be attended to receive WINGS credit.

Directions: From I-25 and E. Arapahoe Rd., proceed east to S. Peoria St. Turn right. At the entrance to Centennial Airport, turn right. Continue toward the control tower. Turn left just before the control tower into the hotel parking lot.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
