

## Severe Weather and Flying!

Matt Kassawara is an experienced storm chaser and aviator. He will present information on weather gathering sites that pilots may not be familiar with. We will then learn to interpret this information and understand how it will effect our flying decisions. Throughout the discussion Matt will share experiences of "Chasing" throughout the Midwest.

**Directions:** The Ramada Inn is immediately to the northeast of the Centennial Airport Control Tower. Arapahoe conference room.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
